

Dear our valued Customers, Suppliers, Banks, and Partners of Gia Han Furniture Co., Ltd.

Firstly, on behalf of all the staff and employees of Gia Han Furniture Co., Ltd., I would like to express our heart-felt gratitude to our valued customers, suppliers, partners, and friends who have accompanied and supported our company over the past period, enabling us to stand firm and achieve remarkable successes.

On the occasion of the Lunar New Year in 2024 - Year of the Dragon, I, on behalf of the leadership team at Gia Han Furniture Co., Ltd, would like to extend our sincere wishes for good Health, Happiness, and Success to our customers, suppliers, partners, friends, together with your families, and colleagues. We wish that our collaboration will become stronger and more prosperous, following the motto "Business is to go for joy and happiness."

We have just recovered from the global pandemic and been facing ongoing global challenges: the Russia-Ukraine war, conflicts in the Middle East (Israel-Hamas), and disruptions to crucial shipping routes in the Red Sea have plunged the world economy into an unrecoverable crisis, significantly impacting Vietnam. However, with your help, understanding, and excellent cooperation, we have managed to overcome this difficult period together. I hope that with the principle of "Business is to go for joy and happiness", we will have a future that is even more closely knit, cooperative, and focused on mutual development, happiness, and success.

Once again, I sincerely thank all of you. Wishing you, your families, colleagues, and friends a New Year filled with:

HEALTH, HAPPINESS AND SUCCESS!

Thank you and best regards,

Gia Han Furniture Co., Ltd
